(Detroit, Michigan) – Actor Richard Gant (*Nutty Professor II*, *The Big Lebowski*, *Rocky V*) costars in *Layla’s Girl*, the latest project by Autumn Rain Features, LLC. Mr. Gant plays JB, a friend of the family who provides insight into Layla’s life.

“I believe that everything happens for a reason,” says Mr. Gant, “and this project came to me for a reason.” *Layla’s Girl*, which also stars LaShae Martin (Carla), Theo Williamson (Charles) and Rhonda Freya English (Kay), and Walter Harris (Odai), began principal photography on July 14, 2003.

“Casting Richard as JB was a dream”, says Nicole Sylvester, the film’s director. “He brought the type of realism to the character that the audience will identify with.” Alisa Lomax, the film’s producer, adds, “Richard’s experience and professionalism inevitably set the standard for the other actors follow.”
